- (3) No person must -
 - (a) park an aircraft on the aerodrome without securing it to the ground when the aircraft is left unattended;
 - (b) leave an aircraft unattended on the manoeuvring area;
 - (c) start an aircraft engine unless there is a licensed pilot or competent engineer in the cockpit;
 - (d) run an aircraft engine so that the air stream caused by such engine blows into or against a building

- or another aircraft or person;
- (e) leave a chock, loading step or any other object which causes an obstruction or hazard on the manoeuvring area or the maintenance area;
 - (f) save with the express permission of the person lawfully in command of an aircraft, board such aircraft or tamper with such aircraft or anything used in connection therewith; and
 - (g) do night flight training on the aerodrome, unless the permission in writing of the Director must have been obtained and the conditions laid down by the latter complied with.

4. Measures for the prevention of fire and the supplying of fuel to aircraft

- (1) No person must-
 - (a) smoke on the manoeuvring area, the maintenance area, at the fuel dump or within 15 metres of an aircraft;
 - (b) light a fire on the aerodrome or in any manner cause fire or smoke, except in a place indicated by the Caretaker and the fire officer on duty;
 - (c) interfere with or tamper with any fire hose, fire hydrant or any equipment provided for fire fighting;
 - (d) draw off fuel from an aircraft, unless it is done under the supervision of a fire officer of the Municipality or his or her nominee, or ignore an instruction given in this regard by such officer or his nominee;
 - (e) park a motor vehicle in an aircraft hangar;
 - (f) carry out repairs to or maintenance or servicing of an aircraft unless sufficient and serviceable fire-fighting equipment is at hand;
 - (g) supply fuel to any aircraft on the aerodrome except at a place and in a manner approved by the Caretaker:
 - (h) interfere with the fuel supply equipment on the aerodrome: or
 - (i) start the engine of an aircraft or allow it to run while such aircraft is being fuelled.
- (2) Any person in control of an aircraft while it is being fuelled must -
 - (a) take all reasonable precautions to ensure that fires are avoided; and
 - (b) supervise such aircraft and immediately after fuelling, remove it to another place on the aerodrome.

5. Control of motor vehicles

- (1) The driver of a motor vehicle entering or leaving the aerodrome must furnish to the Caretaker all information required by him or her.
- (2) No person must—
 - (a) without the prior permission of the Caretaker, enter upon the manoeuvring area or move thereon with a motor vehicle, unless such motor vehicle is equipped with a two-way radio tuned to the current radio frequency of air traffic control, or is escorted by a vehicle equipped with such two-way radio;
 - (b) enter or be on the maintenance area with a motor vehicle unless an entry permit issued by the Caretaker is displayed in a conspicuous place on the motor vehicle;
 - (c) with a vehicle exceed a speed of 10 kilometres per hour on the aerodrome, except in an emergency;
 - (d) park a vehicle on the aerodrome in such a way as to obstruct the normal flow of through traffic, or

- (e) park a vehicle on the aerodrome in a place where parking is prohibited by means of notice boards or traffic signs.

6. Admission to the maintenance area

- (1) No person except the following persons, must enter upon or be on the maintenance area-
 - (a) the pilot and crew of an aircraft who use the aerodrome in the execution of their duties;
 - (b) technical personnel who have to enter upon the said area in the execution of their duties.
 - (c) a learner pilot, for the purpose of instruction or practice.
 - (d) an aerodrome ground personnel member on duty and other aerodrome personnel who have to be on the said area in the execution of their duties.
 - (e) an air passenger, only while directly going to or coming from an aircraft.
 - (f) any person to whom the Caretaker has given express permission to be on such area.

7. General

- (1) The provisions of these By-laws must not detract from the provisions of the Aviation Act, 1962 ([Act 74 of 1962](#)), and the regulations promulgated there under.
- (2) The Director has control over the use of the hangars, buildings and other aerodrome facilities on the and from time to time determines the conditions applicable to such use.
- (3) All persons on the aerodrome must be under the control of the Caretaker.
- (4) The Caretaker may determine in which cases a landing must be regarded as an actual landing, according to which landing charges must be calculated.
- (5) No person must -
 - (a) park an aircraft for more than six hours on the paved area of the lading apron unless the Caretaker approves other arrangements in this regard; or
 - (b) enter a public aircraft hangar or meddle with the aircraft in such hangar unless he must have obtained prior permission from the Caretaker.
- (6) The charges for the use of any facility must be paid within a period of 30 days from the date of rendering of an account for such charges.

8. Offences and penalties

Any person who contravenes or fails to comply with any provision of these By-laws, is guilty of an offence and, on conviction, is liable to a fine or, in default of payment, imprisonment for a period not exceeding 12 months, or to both such

9. Repeal of By-laws

The provisions of any By-laws relating to aerodromes by the Municipality are repealed insofar as they relate to matters provided for in these By-laws.
